## CINECITTÀ SUMMER DAYS Summer events at Cinecittà

A programme of guided and themed tours for adults and workshops and interactive tours for families and children in Italian, English and French.

Cinecittà is expanding its cultural offer for the summer: **from 4 June to 4 September 2022**, a calendar of **special tours, tours in foreign languages and routes dedicated to families** will give every visitor the opportunity to make new and exciting discoveries about the famous Studios, the blockbuster sets, and the Cinecittà Shows Off and [MIAC-Italian Museum of Moving Images exhibition routes](#).

**The Summer 2022** programme features **workshops in English and French** for the first time, created for the youngest of visitors: an educational proposal that links exploration of cinema with knowledge of a foreign language. Participants will discover the technical terms used in the world of film in a foreign language, while experiencing the dreamy atmosphere of the city of cinema.

This expanded calendar gives everyone the chance to explore the history and discover the key people of the Dream Factory.

The programme may vary, according to the needs of the productions working on set.

All the events are included in the price of the entrance ticket to Cinecittà Shows Off and require advance booking which can be secured by contacting: [visit@cinecittaluce.it](mailto:visit@cinecittaluce.it)

# CINECITTÀ

A route that unfolds across the Garden and along the paths of Cinecittà from Federico Fellini's Venusia to the sets of Ancient Rome and the Temple of Jerusalem: information, anecdotes and workshop activities are the ingredients for an entertaining guided tour for old and young alike.

## *Next stop, Ancient Rome!*

### **Guided tours for children and families**

**When: 11.00 a.m. & 4 p.m., Sunday 12 June**

An interactive tour that offers a unique and enthralling experience through temples, arches, and columns and provides the opportunity to discover the secrets of set dressing amidst the colours of the buildings of the past on the great set of Ancient Rome at Cinecittà. A visit that allows participants to experiment with the tricks of creating fiction, making original set props and decorations for the peplum (sword and sandals) genre.

## *Family Cinecittà with Fellini and his Venusia!*

### **Interactive tour for children and families**

**When: 11.00 a.m. & 4 p.m., Sunday 19 June**

An entertaining interactive tour for children and parents alike that reveals the story behind the enormous and mysterious head of Venusia, a history intertwined with that of Fellini and Cinecittà. A range of activities offers the opportunity to experience the film sets, Cinecittà and its people and create a map as a souvenir of the experience.

## *Dive into Miac: discovering the audiovisual*

### **Workshop for children**

**When: 10.30 a.m., Sunday 3 & 31 July**

A journey of discovery through the fascinating history of Italy's audiovisual and cinema industry from the earliest inventions to the latest technology following the interactive timeline of the Museum route and the immersive installations dedicated to the magic of the silver screen and its stars. A route that brings old and young visitors into the buildings that were formerly Cinecittà's development and print laboratories and offers them the challenge of trying some small cinema experiments.

## *Professions in film*

### **Workshop for children**

**When: 10.30 a.m., Sunday 10, 17, 24 July & 4 September**

A visit that introduces some key phases in producing a movie – screenwriting, directing, set and costume design – through a guided tour of Backstage. An interactive, didactic tour of Cinecittà and a workshop where participants can try inventing and storyboarding a narrative, creating a character and their costumes, and designing a set for the story with all its furnishings. The workshop activity offers the opportunity to create unique digital storytelling about the professions in filmmaking as a permanent souvenir of the experience.
